

Medicaid has partnered with the North Dakota Tobacco Quitline and now offers increased benefits to help you quit tobacco!

Here's what you need to do:

1. Call the North Dakota Tobacco Quitline (1.800.QUIT.NOW) to enroll in free, personalized telephone counseling.
2. Once enrolled, you will receive an enrollment letter and a Prior Authorization Form in the mail.
3. Contact your doctor to evaluate the possibility of a prescription for medication to help with your quit attempt.
4. Have your physician or pharmacy fill out the Prior Authorization Form and fax the form, along with your enrollment letter, to 866.254.0761.
5. Be sure to include the quit date under Part IV of your Prior Authorization Form.

What medications are covered?

- ◆ Nicotine patch (7mg, 14mg, 21mg)
- ◆ Nicotine gum (2mg and 4mg)
- ◆ Nicotine lozenge (2mg and 4mg)
- ◆ Nicotine inhaler
- ◆ Nicotine nasal spray
- ◆ Bupropion
- ◆ Chantix

- ◆ To be covered by Medicaid, all medications, including over-the-counter medications, require a prescription, PLUS an approved prior authorization.
- ◆ Coverage is limited to one course of therapy every two years for each medication.
