NGDHU is trying something new this year and will be coming to the schools on a more frequent basis. We will mail out letters and forms prior to the clinic if a child is due. Parents must fill out forms and provide consent prior to child receiving vaccine(s).

Call NGDHU at 701.322.5624 with questions.

If you have a child that still needs to get up to date with school immunizations, you only have until October 1st before your child could be excluded from school!*

*Section 23-07-17.1 section of North Dakota State Law mandates all students in kindergarten through grade twelve meet a minimum number of required immunization prior to school entrance.
